Person Centered Plan
Independent Facilitator

An Independent Facilitator is someone, other than staff from the agency providing mental health services, who conducts the Person Centered Plan (PCP) meeting. An Independent Facilitator helps gather the information that will be used for the development of the Individual’s Plan of Service (IPOS). Independent Facilitators has experience with the Person Centered Planning process, is unbiased, and responsible. After the PCP is implemented the Independent Facilitator will check in with the individual on their progress of taking the action steps written in the Person Centered Plan.

The option to have access to an Independent Facilitator for a Person-Centered Plan is required by the Michigan Department of Health and Human Services.
