

About The Arc NW

Founded by parents in 1961, The Arc of Northwest Wayne County is a community-based organization whose purpose is to support and advocate for people with intellectual and developmental disabilities. The Arc NW offers programs and services that span a lifetime to enrich the lives of people with disabilities and their caregivers. It is through this connection to The Arc NW that the lives of individuals are transformed through equity and the ability to plan for a future supported by their community.
